Fulshear Little League Player Eligibility and Out of Boundary Waiver Process

Fulshear Little League is a non-profit organization, ran solely by volunteers, that offers youth Little League Baseball (and Softball soon!) to boys and girls who are league age 4 to 12. League age is determined by the Official Little League age chart (see Exhibit A on the next page).

Fulshear Little League Eligibility

If your child meets one of the following, then they are eligible to participate in Fulshear Little League's regular season and post season (All Stars). If your child DOES NOT meet any of these, then you may request that Fulshear Little League submit an out of boundary waiver to grant your child league eligibility.

1) Primary Residence – if your child's primary residence is within Fulshear Little League's boundary then you are eligible to participate in Fulshear Little League. Visit Little League's Official League Finder to see if your primary residence is within Fulshear Little League's boundary. Proof of residency is required during registration.

2) School Enrollment – if your child attends a school within Fulshear Little League's boundary then your child is eligible to participate in Fulshear Little. Proof of enrollment is required at registration. See Exhibit B on the next page for a list of schools.

3) League Age (League Choice) – children that are LEAGUE AGE 7 or under (refer to Exhibit A for League Age Chart), regardless of where they live or attend school, are eligible to participate in Fulshear Little League. To remain eligible, children cannot skip a spring season.

   Additionally, children LEAGUE AGE 8 – 12 who have a sibling that is LEAGUE AGE 7 or under that is active in the league are also eligible to participate in Fulshear Little League. Again, to maintain eligibility, you cannot skip a spring season.
   Refer to Little League Regulation II League Choice (see below)
   LEAGUE CHOICE:
   - Players league age seven (7) and under may register in any Little League program without respect to any geography-related eligibility or school enrollment eligibility requirements.
   - Players league age 8 – 12 who are the sibling of a player who is an active participant league age (7) or younger OR the sibling of an active player in the league who has participated in the league without a break in participation since league age seven (7), are eligible to continue participation in the league provided the maintain continuous and unbroken participation with the league and regular season play.
   - Players will have full tournament eligibility in the program in which they are registered provided they have continuous and unbroken participation within the specific league.

In summary, you are eligible to participate in Fulshear Little League if

1) You live within the league boundary
2) Attend school within the league boundary
3) If you do not live or attend school within the league boundary but are League Age 7 or under, or a sibling of an active player who is League Age 7 or under, then you are eligible to participate in Fulshear Little League.

Fulshear Little League Out of Boundary Waiver Process

If your child does not meet any of the eligibility requirements as spelled out above, then an out of boundary waiver may be submitted to gain eligibility.

Fulshear Little League cannot guarantee that the waivers will be approved. At this time, we do not expect the neighboring leagues to approve these waiver requests without a unique hardship being involved.

Additionally, if approved by the neighboring league, the player would be ineligible for all stars their first year.
